

EXPERIENCE meets PURPOSE

Connecting nonprofit leaders with proven executive consultants since 1977.

WHO WE ARE

Executive Service Corps United States (ESC-US) is a national network of nonprofit affiliate members across 20+ states, dedicated to serving local nonprofits with high-impact, local-to-local consulting support. We connect mission-driven leaders with C-Suite professionals who provide their executive consulting services in-kind, delivering high-value expertise at a significantly reduced cost to help community organizations achieve lasting, transformative impact.
